

Judge Robart

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

UNITED STATES OF AMERICA,

Plaintiff,

v.

MARK McGLOVER,

Defendant.

NO. CR06-393JLR

ORDER CONTINUING
TRIAL DATE

This Court, upon consideration of a Stipulation to Continue the Trial Date filed by the United States of America and Defendant Mark McGlover, and having considered the entirety of the file and records herein, and the reasons set forth in the Stipulation, the Court GRANTS the stipulation to continue the trial date to ensure continuity of effective assistance of counsel and to allow the parties additional time to engage in plea discussions and prepare for trial if such discussions do not result in a resolution of this case. The Court further finds that a continuance would ensure that the trial does not conflict with other previously scheduled trials and matters of counsel for the government and the defendant. Further, for these reasons, the Court finds that the ends of justice served by a continuance outweigh the best interest of the public and the defendant in a speedy trial, and that the failure to grant such a continuance would likely result in a miscarriage of justice..
